UDC Holds Memorial Meeting

The Appomattox Chapter of the United Daughters of the Confederacy met April 18, 1974 at Farmers National Bank, Triangle Plaza Branch. The meeting was a memorial to Mrs. Albert J. Zastrow, President of the Chapter, who passed away on April 7, 1974.

Mrs. Walter Ferrell, Historian, gave as the program for the evening the following tribute to Mrs. Zastrow:

Tonight we want to pay tribute to Mrs. Albert J. Zastrow, our immediate past president.

Her parents were Schuyler Patterson Coleman, Jr. and Elvira Susan Cawthorn Coleman. Mr. Coleman was a Confederate soldier. Mrs. Zastrow was a Real Daughter of the Confederacy. For many years Mr. Coleman was Sheriff of the county. He was one of the leaders in all things for the advancement of the county and a very popular man. Mrs. Coleman was the daughter of Rev. John Cawthorn, a leader in civic and religious affairs. They had a family of 11 children. Their names are as follows:

Annie Kate Coleman - married John Sam Plunkett.

Jemima Louise - married A. Fowlkes.

Mary Lizzie - married T. W. Oder

Hubbard Schuyler

Joel Thomas-Married Bernice Cole

Madelen Christian - married Oder

Sally Glover - married Clinton Cawthorn Samuel Henry

William Patterson - married Rebecca Anderson of Danville

Emma Sue - born 1892 - died April 1974 - age 82 years - married A. J. Zastrow of Wisconsin.

All of us as we think of Mrs. Zastrow are inspired by her dedication, faithfulness, humility, honesty, and her great sense of humor.

I do not think of anyone who would have taken the responsibility of the office of president of an organization at her age and handled it so well. She knew the work well and knew how to work with people.

I think of her as she came to the meetings with her basket carrying the flags and other necessary paraphernalia - her yellow tablet with the agenda for the meeting well written out and her droll humorous manner of speaking - she endeared herself to all members.

She took great pride in the accomplishments of the Appomattox Chapter and always wanted it to receive the highest honors. She wanted us always to be an A-1 Chapter.

She always enjoyed and looked so nice in her Centennial dresses and wore them whenever the occasion present an opportunity.

We find a good description of Mrs. Zastow in Proverbs 31:10-23.

"Who can find a virtuous woman? for her price is far above rubies. The heart of her husband doth safety trust in her, so that he shall have no need of spoil. She will do him good and not evil all the days of her life. She seeketh wool, and flax, and worketh willingly with her hands. She is like the merchants' ships; she bringeth her food from afar. She riseth also while it is yet night, and giveth meat to her household, and a portion to her maidens. She considereth a field, and buyeth it: with the fruit of her hands she planteth a vineyard. She girdeth her loins with strength and strengtheneth her arms. She perceiveth that her merchandise is good: her candle goeth not out by night. She layeth her hands to the spindle, and her hands hold the distaff. She stretcheth out her hand to the poor; yea, she reacheth forth her hands to the needy. She is not afraid of the snow for her household: for all her household are clothed with scarlet. She maketh herself coverings of tapestry; her clothing is silk and purple. Her husband is known in the gates, when he sitteth among the elders of the land."

The poem, "Lifting and Leaning", reminds us of Mrs. Zastrow:

LIFTING AND LEANING

There are two kinds of people on people on earth today,
Just two kinds of people, no more, I say.

Not the good and the bad, for 'tis well understood
The good are half bad and the bad are half good.

Not the happy and sad, for the swift-flying years
Each bring each man his laughter and each man his tears.

Not the rich and the poor, for to count a man's wealth
You must first know the state of his conscience and health.

Not the humble and proud, for in spite of his haughty ways,
Who puts on vain airs is not counted a man.

No! the two kinds of people on earth I mean
Are the people who lift and the people who lean.

Wherever you go you will find the world's masses
Are ever divided in just these two classes.

And, strangely enough, you will find, too, I ween,

In which class are you? Are you easing the load
Of overtaxed lifters who toil down the road?

Or are you a leaner who lets others bear
Your portion of worry and labor and care?

- - Ella Wheeler Wilcox

Our president was certainly a lifter.

The poem, "A Bag of Tools", is also appropriate as we think of Mrs. Zastrow because she was always a stepping stone.

A BAG OF TOOLS

Isn't it strange
That princes and kings,
And clowns that caper
In sawdust rings,
And common people
Like you and me
Are builders for eternity?

Each is given a bag of tools,
A shapeless mass,
A book of rules;
And each must make -
Ere life is flown -
A stumbling block
Or a stepping stone.

- - R. L. Sharpe

Appomattox Chapter No. 13 United Daughters of the Confederacy was chartered in the National organization August 22, 1895, the eleventh in the nation and the sixth in Virginia. It was organized by Mrs. Charles W. Hunter, who was its first president. Past presidents are: Mrs. Charles W. Hunter, Mrs. J. R. Atwood, Mrs. Joel W. Flood, Mrs. J. B. Abbitt, Mrs. W. B. Caldwell, Miss Eula Mae Burke, Mrs. Lindsey Crawley Mrs. D. N. Twyman, Mrs. N. A. Wagers, Miss Anna Jones, Mrs. William Abbitt Coleman, Mrs. J. A. Burke, Mrs. E. Carroll Smith, Mrs. Harry G. Johnson, Mrs. Calvin H. Robinson and Mrs. Albert J. Zastrow.

ACCENT ON YOU THE AMERICAN CONSUMER

By: Cornell B. Goldman
Extension Agent

Among the hundreds of bills and resolutions passed in the 1974 General Assembly, several concerned consumer protection legislation that should be of interest to you. Most of the laws will become effective July 1.

House Bill 104 - Establishes a procedure whereby a debtor (person who owes) can inform a creditor (person that loans) of what he believes to be a billing error. Under this act a creditor must acknowledge a complaint within 30 days and act to resolve the claim within 90 days. Failure to comply will result in the creditor losing all rights to the contested amount. In addition no change can be made in the debtor's credit rating while the complaint is being resolved.

Handbill 360 - Revised the law regulating comparative price advertising. This requires assurance that when an item is advertised as being sold for less than its previous price, or less than a comparable item is being sold elsewhere, the former prices must have some foundation in fact. In other words, a dealer cannot say that he is selling an item for $10 that previously cost $25 when, in fact, it never costs $10.

Senate Bill 192 - [illegible] motor vehicle manufacturers, compensate dealers [illegible] warranty service [illegible] required to perform. [illegible] theory is that a dealer [illegible] more willing to make [illegible] repairs if he knows he [illegible] stuck with the cost.

TOT FINDER
FIRE RESCUE DECALS
YOUR MARK OF GREATER FAMILY PROTECTION . . .

Children account for over one third of the nation's fire casualties. And no wonder, in the confusion of a fire, families often become separated. All too frequently the result is a child trapped in his room, cut off from rescue. The TOT FINDER program is designed to help avert this tragedy.

In appreciation for all the help and assistance given to the Appomattox Volunteer Fire Department, local firemen will be giving out TOT FINDER Fire Rescue Decals on Sat., May 4th, at Triangle Plaza Shopping Center and at Wilbun's Super Market from 9 a.m. until . . .

The basis for the program is the red TOT FINDER decal, highly visible during the day and reflective from a light source at night, the attractive decal clearly marks the location of a child's room. Should fire strike, the decal alerts firemen to clear marked areas first.

Miss Anna Dickhoff Heads Va. Lung Assoc., Central Region

The Board of Directors of the Virginia Lung Association, Central Region formerly the Central Virginia Tuberculosis and Respiratory Disease Association), serving the counties of Amelia, Amherst, Appomattox, Buckingham, Campbell, Charlotte, Cumberland, Lunenburg, Nottoway, Powhatan and Prince Edward and the City of Lynchburg, heard a report at its Annual Public Meeting held in Farmville last night by its President, Dr. L. E. Wells. Dr. Wells expressed satisfaction with the progress made during the previous year on the educational program of prevention of lung diseases which includes discouragement of cigarette smoking, control of air pollution, prevention of occupational related lung diseases. The second part of the program of work includes control of lung disease aimed at improved respiratory disease health care, improved home care of the patient with lung disease and improved diagnostic and treatment facilities for lung disease. Emphasis was placed on educating the youth in the area. This was brought about by formation of four Youth Boards in Amelia, Buckingham, Cumberland and Prince Edward counties.

Dr. Wells commented that this has been a most prosperous year for this organization and may we work together to make next years' report just as abundant.

New members elected to the Board of Directors for a three year term are: Mrs. Ethel Evans of Appomattox, Mrs. Betty Scales of Cumberland, Mr. and Mrs. Russell Elam of Nottoway, Mr. James Eanes of Nottoway, and Miss Nancy Andrews of Prince Edward. Honorary Members elected were: Dr. John T. T. Hundley of Lynchburg, Mrs. Roland Hutchings of Buckingham, Rev. and Mrs. Robert E. Withers of Prince Edward and Mrs. Margaret Watson of Prince Edward. Officers elected for a term of one year were: President, Miss Anna Dickhoff of Prince Edward; First Vice-President, Mr. Harry S. Ferguson of Lynchburg; Second Vice-President, Dr. Alfonso Lombana of Prince Edward; Secretary, Mrs. J. B. Pervall of Prince Edward. In a discussion following the report of the Nominating Committee it was brought out by Dr. Anthony J. Munoz that there was no medical representation on the Executive Board, therefore, he nominated Dr. Alfonso Lombana, Director of the Intensive Care Unit at Southside Community Hospital, to supersede Carl B. Hutcheson of Lynchburg as Second Vice-President for 1974-75.

Colombia School Press Project Awards for school newspaper articles were presented by Dr. W. W. Wendt, Executive Director of the Virginia Lung Association for first and second place winners - Prince Edward Academy, Farmville and Amelia County High School, Amelia. Dr. Wendt presented an award of appreciation to the Alpha Sigma Tau Sorority of Longwood College for their many volunteer hours serving this association. The award for the second place winner in the Youth Board Speakers Contest was presented to Miss Betty Reid of Prince Edward County High School, Farmville.

Dr. Charles W. Scott presented Dr. W. W. Wendt with an award of our appreciation for his untiring guidance and support during the past years to this association.

G. Hunter Jones, Jr. read a proclamation in recognition of Dr. James Loving Hamner's many years of service contributed to this association for the improvement of general health conditions in the southside area with special attention to the eradication of tuberculosis. It was moved, seconded and passed that this proclamation be made a part of the association's archives.

James B. Kenley, M.D., M.P.H., Deputy State Health Commissioner, Virginia State Department of Health was guest speaker. Dr. Kenley gave a most inspiring talk on the cooperation between the Virginia Lung Association and the Virginia State Department of Health in the fight for better health conditions with special attention to the eradication of tuberculosis and other respiratory diseases and air pollution. Dr. Kensley brought out in his talk the fact that in the 1970's progress has slowed down in the decrease of tuberculosis cases. In 1971 the tuberculosis rate was 17.1% per 100,000 population and in 1972 it was 15.8%, however for Virginia in 1971 the rate was 19.3% per 100,000 population and 17.1% in 1972. Virginia continues to serve high in rank. 1,437 cases were reported in Virginia in 1972, of these 59.9% were active and out of this 60% were classified as chronic. In 1972 the counties of Cumberland and Prince Edward had the highest percentage rates in this area, Cumberland with 67.8% and Prince Edward with 39.2%.

STATE HIGHWAY MAP DISTRIBUTED

The 1974 edition of the official state highway map is now being distributed throughout the state.

The Virginia Department of Highways has printed 1,600,000 copies and has maps available at all district and residency offices. The map is also available from the Virginia State Travel Service and other travel organizations and at highway information stations and rest areas.

The four-color map shows the interstate, arterial, and primary highways, and heavily-traveled secondary roads. The interstate routes are shown in blue for easy identification. Other major roads are in red, and the secondary roads are in gray. Inserts of major urban areas provide additional detail.

On the reverse side of the map, the interstate and arterial highways have been superimposed on the historic and scenic map. Photographs and descriptions point out some of the major points of interest in the state. Major recreational areas are shown along with waysides, rest areas, information stations, and state police locations and telephone numbers.

Speed limits and other information are shown; however, the new map was prepared before the maximum speed limit was reduced to 55 miles per hour because of the fuel crisis.

The map is available upon request and without charge.
